ABOUT TCA

Tech Coast Angels (TCA) is one of the largest angel investor networks in the nation, and a leading source of funding for seed-stage and early-stage companies across all industries in Southern California. TCA - San Diego's mission is to be the best place for the best companies to raise their seed financing.

TCA members are accredited investors who collectively invest in start-up companies in the range of \$250k to \$2M as a group. The companies that TCA invests in go through well-structured, transparent, and time efficient screening and due diligence. TCA members are themselves founders and executive level business leaders who have extensive knowledge in the investment process and world-class business practices. Thus, TCA members provide companies with more than just capital; they also contribute counsel, mentoring and access to an extensive network of investors, customers, strategic partners and management.

TCA is a catalyst in the growth of the Southern California entrepreneurial thriving ecosystem of innovation. Our funding activity focuses on emerging technologies and life science companies.
